# YUTOECO

YUTOECO is an innovative, forward-looking sub-brand under YUTO, driven by the guiding principle of sustainability and offering solutions beyond traditional packaging. Founded in 2020, YUTOECO focuses on developing plant fiber materials that are home compostable and naturally degradable. In addition, we develop new equipment and innovative processes to drive the green transformation of product design and manufacturing. By partnering with clients to achieve sustainability goals, YUTOECO aims to be a builder of a greener future.
